

USB3.0 FRONTPANEL SERIES

Model A

USB 3.0
SUPER SPEED

Features:

The USB3.0 Front Panel (Model A) can be quickly and easily installed to a 3.5" installation bay of the PC case. The two external USB3.0 ports (Type A, female) are looped through, so that they can be connected to suitable external USB3.0 ports on the mainboard or a USB3.0 controller card on the rear of the PC case.
